# SMARTRUN™

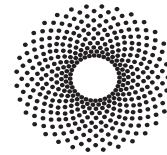

**REGISTER  
BEFORE  
THURSDAY  
11/10/2018**

**SMARTRUN is a Social and Sport Event for professionals, companies and institutions located in BELVAL; the event will take place on Thursday the 18<sup>th</sup> of October. The race starts at 5:30 pm.**

The principle of the race is simple: a lap of 3 km, run 3 times, 2 times or 1 time by each of the 3 team partners. The competition is accessible to all levels: the better runners can test themselves with 9 km; the beginners will run the 3 or 6 km. And it is a teamrace: the 3 partners have to stay gathered during the second and third lap; they cross the finish line together. Solidarity and team spirit are fundamental.

SMARTRUN is more than just a jogging: after the race and the showers, all the participants meet for the Drink. The first teams are granted with awards in each category. A Walking Dinner follows the ceremony.

**Pictet  
Technologies**

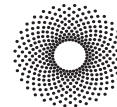

**ADECCO and PICTET Technologies invite students of the University of Luxembourg to join their own teams, for the race and the walking dinner. Both companies will each welcome 15 students. Not only it is totally free (the costs are paid by the companies) but it is a perfect opportunity for you to have useful contacts with 2 dynamic international firms with a diversity of professional possibilities.**

**Pictet Technologies** is the new and fast-growing Fintech player, with offices in the Belval district of Esch-sur-Alzette. We are set up to exclusively serve the needs of the Pictet Group — one of the premier independent asset and wealth management specialists in Europe. As such we are not just a random start-up, we are Pictet's. This means we are strongly rooted, with strong values, long term vision and stability. We are also agile professionals, fostering an inclusive and collaborative culture, a state-of-the art working environment, growth and learning opportunities.

THE ADECCO GROUP

**The Adecco Group** is the world leader in Human Resources. Our mission is to bring job seekers and employers together. We help candidates to build their career and provide them with internships, temporary and permanent work opportunities in Luxembourg. (i.e. Banking, IT, Finance, Administrative...).
